HAPPY SPRING; SEE YOU IN SEPTEMBER!

What a great rep hockey season! We hope that you all had a great time playing hockey with new and old friends. Coaches, managers, trainers - thank you so much for volunteering your time - this program would not and could not exist without you.

Spring has officially arrived and with the close of this year's hockey season, it naturally feels official now ... although the weather could be warmer!

A gentle reminder to all parents and coaches that the AMHA recognizes families and players need a well-deserved break from the intense rep schedule that exists throughout the season; we do not encourage rep training camps starting earlier than the end of August.

Although we all love being at the rink and scoring goals, it's time to take a break and shift our focus to other sports and interests ... or maybe just move our nets to the driveway or out on the road for some street hockey with buddies.

Whatever you are excited for, enjoy it. Have a great spring and summer and we look forward to sharing more hockey memories with you during the 2018/19 season.

Aurora Tigers Atom AA Team winning silver at tournament earlier this year as well as being York Simcoe Finalists for 2017/18.

Thank you to Town of Aurora Facility staff for keeping our rinks and arenas in great shape for the entire season!

SUMMER CROSS-TRAINING

Summer is a fabulous time for Rep Players to take a break from their typical schedule and from the ice - to give their bodies, brains (and parents!) a break. But summer is also a great time to cross-train using other sports while having fun with friends, staying active and enjoying the warmer weather.

*Enhance aerobic/respiratory health, with opportunities to cross train with sports like:

- Ultimate Frisbee
- Lacrosse
- Running/jogging
- Soccer & Cycling
- Basketball
- Swimming

*Build strength in your arms, shoulders, legs, chest, core and glutes.

BRAND NEW!!! TIGER CUBS HOCKEY

The AMHA is really excited to introduce a brand new program, new for Fall 2018

Tiger Cubs Hockey. Cubs hockey is a fun, on-ice skills development program for boys and girls, ages 4 and 5 (born in 2013 and/or 2014). The program is focused on fun, development and instruction. We are thrilled to be welcoming kids into this brand new program.

For more information, please visit our website at www.auroraminorhockey.com and/or call our office at (905) 727-1480.
